Document Title	FULL RETENTION OF TUNA POLICY			

RELL & RENN FISHING CORPORATION is committed to and is a strong advocate for sustainable fisheries.

RELL & RENN FISHING CORPORATION is a member of the International Seafood Sustainability Foundation (ISSF) and supports the requirement on full retention of tuna on board purse seine vessels.

RELL & RENN FISHING CORPORATION shall only transact with those purse seine vessels that retain all caught tuna (Skipjack, Yellowfin and Bigeye), except those unfit for human consumption, or when in the final set of trips, there is an insufficient well space to accommodate all fish caught in that set.

RELL & RENN FISHING CORPORATION ensures that all Crew understands and adheres to the Fisheries Regulation.
